

**Anesthesiologist
Moose Jaw, Saskatchewan**

Posting Date: January 2, 2018

Remuneration: \$458,004/annum

Benefits: Responsibility of the physician

Language of Work:

English

Position Profile:

The successful candidate will join our team to provide comprehensive anesthesiology services to the patients of southwest Saskatchewan at the Dr. F.H. Wigmore Regional Hospital. We provide full obstetrical services, as well as general surgery, gynecology, urology, orthopedics and ophthalmology. Elective OR runs from 0745 to 1600 hours. Call is 1:3.

The Community:

The “Friendly City” of Moose Jaw is the fourth largest city in Saskatchewan; located in the south-central part of the province, along the Trans-Canada Highway. The Regina International Airport is a short 45 minute drive to the east. Moose Jaw, with a population of 34,000, offers excellent public/Catholic/francophone education opportunities and many recreational, cultural and entertainment amenities.

The Saskatchewan Health Authority:

The SHA is the largest organization in Saskatchewan, employing over 44,000 employees and physicians responsible for the delivery of high quality and timely healthcare for the entire province. We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure that patients receive high quality, timely healthcare, wherever they live in Saskatchewan.

The SHA supports a shared commitment to a Representative Workforce that is respectful and inclusive of all staff and clients. We welcome applications from those who will contribute to the diversity of our community.

Qualifications:

The successful candidate will hold certification from the Royal College of Physicians and Surgeons of Canada in Anesthesiology. Preference will be given to University of Saskatchewan graduates and individuals with strong ties to Saskatchewan. Candidates should be eligible for regular license through the College of Physicians and Surgeons of Saskatchewan. This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high volume environment with a commitment to provision of high quality patient and family-centered care.

In accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.

The start date for this position is January 1, 2019. Applications will be accepted until the position is filled.
