Facility Maintenance & Operator

The Five Hills Health Region is seeking a Permanent Full Time Facility Maintenance & Operator. This position operates and monitors computerized building systems, maintains facility/plant systems and equipment, and performs major repairs/installations on a wide variety of complex building systems and equipment.

QUALIFICATIONS

- Building Systems Technician Certificate
- 5th Class Power Engineering Certification, where required by the job
- Refrigeration or Pool Operator certificate, where required for the job
- Non-qualified applicants may be considered, training may be provided for the successful applicant

THE REGION

Five Hills Health Region is located in south-central Saskatchewan and serves a population of approximately 54,000 people. The region has gained the attention of the province and areas throughout the country with our new Patient-Centered facility, Dr. F. H. Wigmore Regional Hospital, where this position is located.

THE COMMUNITY

Moose Jaw is truly a city as unique as its name, with a population of approximately 33, 0000. It is located in the heart of the prairies, halfway between Calgary and Winnipeg on the TransCanada highway and only 40 minutes from Regina, Saskatchewan's capital. Some of the top attractions to Moose Jaw include the Temple Gardens Mineral Spa, Tunnels of Moose Jaw, Art Galleries, a wide variety of dining options and countless other sources of entertainment such as concerts and sporting events at Mosaic Place.

INCENTIVES

The region offers competitive wages and extensive benefit coverage including dental, vision, prescription, group life insurance, disability insurance and employee pension plan. We also offer generous paid time off and a safe and supportive work environment.

"We welcome those individuals interested in making a difference."

Apply by August 19, 2017 quoting "GO-00515758 (FHHR)"
