

Pediatrician
Moose Jaw, Saskatchewan

Posting Date: October 25, 2018 **Remuneration:** \$375,482/annum **Benefits:** Responsibility of the physician
Language of Work: English

Position Profile:

The successful candidate will join our team to provide comprehensive pediatric services to the patients of southwest Saskatchewan in a community pediatric practice and at the Dr. F.H. Wigmore Regional Hospital. The scope of practice includes inpatient and outpatient care, emergency consults and specialist on-call coverage in a 1:3 rotation.

The Community:

The “Friendly City” of Moose Jaw is the fourth largest city in Saskatchewan; located in the south-central part of the province, along the Trans-Canada Highway. The Regina International Airport is a short 45 minute drive to the east. Moose Jaw, with a population of 34,000, offers excellent public/Catholic/francophone education opportunities and many recreational, cultural and entertainment amenities.

The Dr. F.H. Wigmore Regional Hospital

The “Wigmore Hospital” is a brand-new state of the art facility with 72 inpatient beds including an intensive care unit. Other specialty services available include obstetrics and gynecology, internal medicine, pathology, radiology (diagnostic imaging, ultrasound, CT, MRI), general surgery, gynecology, urology, orthopedics and ophthalmology. There is opportunity for participation in teaching through the University of Saskatchewan, College of Medicine programs.

The Saskatchewan Health Authority:

The SHA is the largest organization in Saskatchewan, employing over 44,000 employees and physicians responsible for the delivery of high quality and timely healthcare for the entire province. We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure that patients receive high quality, timely healthcare, wherever they live in Saskatchewan.

Qualifications:

The successful candidate will be a Fellow (or be eligible for Fellowship) with the Royal College of Physicians and Surgeons of Canada in Pediatrics. Candidates should be eligible for licensure with the College of Physicians and Surgeons of Saskatchewan. Preference will be given to University of Saskatchewan graduates and individuals with strong ties to Saskatchewan. This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high volume environment with a commitment to provision of high quality patient and family-centered care.

In accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.

The start dates for this position is immediately. Applications will be accepted until the position is filled.
