Better Value

**Culture of Safety | Patient & Family Centred Care
Continuous Improvement | Think & Act as One System**

Better Health

Improve population health through health promotion, protection and disease prevention, and collaborating with communities and different government organizations to close the health disparity gap.

Better Care

In partnership with patients and families, improve the individual's experience, achieve timely access and continuously improve healthcare safety.

Better Value

Achieve best value for money, improve transparency and accountability and strategically invest in facilities, equipment and information infrastructure.

Better Teams

Build safe, supportive and quality workplaces that support patient-and family-centred care and collaborative practices and develop a highly skilled, professional and diverse workforce that has a sufficient number and mix of service providers.
